Dear Editor;

!!!YAP! KYAA! ARRGH! UNGH! AAA! EEEYAA! YEEII! and EEAGH! were just some of the crazy sound effects used by Sun Yang and friends in one of Charlton's newest fantasies, *House Of Yang*. The second issue, though not quite as good as the first one, was still full of excitement visually and verbally. Joe Gill scores 100 points for the story. Sanho Kim scores 90 for the art, better than [illegible] for him. Although some pages were well laid out and well illustrated, some individual panels were not on the ball, and one I considered repulsive. (Page 19, panel 4). Is that allowed by the comics code? What an angle! Kojo Kongo or whatever his name was should have been a little less scantily clothed, if you can call that clothed. In several panels, characters' heads were distorted. (example: p. 2 p. 2) These minor errors, if corrected, would have made the art perfect. Kudos anyway, Mr. Kim. Your inking and lettering styles fit very well with this book. Your art definitely shows Oriental influence. But I've yet to see a *story* written by you! Sun Yang is an interesting character, with a believable origin. He still could be developed more personality-wise. Although Mr. Gill's stories are well-written and all, there is one thing that I think should be cut down on ... fat sumo wrestlers, fat kung fu champs, in every issue. DUUUMB! When one of these boxes pops into a story, you know Sun will sooner or later plop him on the floor with a flying purple toadstool kick, or something like that. Fatsos are exciting yet unexciting, avoid them wherever possible.

HOY #'s 1 and 2 were still good issues, on top of all those ego-bolts I'm hurling at you. Keep up the good work.

HAAII-YAAH!
ERIC Stedman
Newton, Pa.

Er, thanks for the nice letter, I think, Eric. When you dissect a book, you really scatter the pieces, don't you. On checking, we agree that Mr. Kim took some artistic liberty with Sun's head on page 2 panel 2 but that is part of Sanho Kim's style which, overall, is very effective. Incidentally, you mentioned Sanho Kim's not having written anything you've read. Kim has written several excellent scripts for us. Primarily, however, he is an illustrator and an excellent one. Charlton is especially fortunate to get him to illustrate *HOY* because it takes place in the Orient and Mr. Kim came here from South Korea.

His occasional distortions are part of his style and creates an excellent mood of excitement, suspense, and violence.

We're glad you gave Joe Gill and Sanho Kim good marks for their efforts; and in the future, they'll try for better grades.

Dear Sirs:

Hmmm ... very nice. I've just reread the first two issues of *The House of Yang* for the umpteenth time, and I like them very much. In fact, I am far more pleased by this book than by *Yang* itself!

I've read all the Kung Fu books put out by the other companies, and I am proud to say that this is one of the best on the subject. This fits well with me because of its down - to - earth appeal and locale in an area where just such events did occur.

The art is great! Sanho Kim really shows the people, the town, the highs and lows of their times, and the defensive abilities of Sun Yang. With a sense of naturality that is lacking in any of the other Kung Fu based titles I've seen. He really knows his stuff - inside and out - these cover paintings are great!

I can't think of anything else to say, so I'll wait until after I see #3, okay? Later!

Dave DeKalis
Clayton, Mo.

You've caught the essence of Sanho Kim's greatness! When he draws China, he captures the spirit of the land and its people. Mr. Kim is Korean, but he's a student of Chinese history as well; and when he draws something, you can be sure it's accurate.

Kim has a distinctive style. It's not tight and precisely drawn; but, over-all, his illustrations are exciting and believable. His River People in *HOY* look as though they've spent their lives on the Sampans and junks he draws so accurately. We can't think of any artist as well equipped as Sanho Kim to illustrate *HOY*!

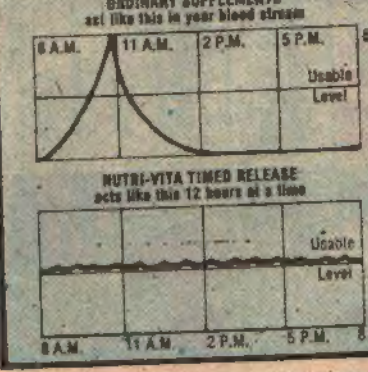
Revolutionary New Timed-Release Nutrient Tablet

AUTOMATICALLY REPLACES THE VITAMINS YOUR BODY USES UP, EVERY SECOND OF EVERY DAY!

Actually meters out 42 active vitamins, minerals and essential amino acids ... hour after hour ... in a continuous fresh supply.



These three biological breakthroughs make NUTRI-VITA dramatically more effective:

1. TIMED RELEASE. Ordinary tablets and capsules dissolve immediately and begin to leave the body. Nutri-Vita stays in your blood stream for all day, all night action.

2. CHELATED MINERALS. Nutri-Vita's minerals are biologically bonded to protein. This makes them more available to your system than ordinary mineral supplements.

3. INGREDIENT ISOLATION. Many vitamin and mineral combinations actually **neutralize themselves on contact**—in the tablet or in your stomach. Nutri-Vita's ingredients stay separate—**and effective** until your body uses them.

Vitamins, minerals and amino acids—are essential to human health. No wonder millions of Americans choose to augment their family's diet with a vitamin-mineral supplement every day.

But up to now, NO supplement could give you the vitamins, minerals, and amino acids you need . . . at **precisely the moment you need them.** NUTRI-VITA does! Because unless all the right ingredients are furnished at the right time, many of the nutrients in the food you eat will be wasted.

SCIENTIFICALLY FORMULATED FOR MAXIMUM BIOLOGICAL VALUE. Fifteen years in the development, Nutri-Vita has been used and tested by hundreds of world champion athletes, and by ordinary men and women all over the country. They report increased endurance*, greater capacity to handle heavy workloads**, and less fatigue*** when using Nutri-Vita as compared to any preparation they used before. **Nutri-Vita even helps maintain energy levels while dieting.****

That's because Nutri-Vita's formulation is not only nutritionally superior in itself, it incorporates **totally new concepts** of manufacture that provide maximum biological value for your body.

Here is how this special nutritional supplement achieves the kind of superior action that has never been available from any tablet or capsule before:

ROUND-THE-CLOCK NUTRIENT PROTECTION. Vitamins (except A, D, E, and K) are water soluble and cannot be stored in the body for later use. Any excess is passed through the body and lost. With supplements that dissolve all at once, therefore, the vitamin level may quickly peak at far more than the tissues can use at any one time—then just as quickly sink to the previous level. So even though you take a high potency supplement **you may actually be vitamin starved for most of the day!**

Nutri-Vita tablets, on the other hand are timed release . . . **to meter out fresh nutrients constantly.** They rise to the proper level for maximum utilization in your blood, ready for your body to use them as it needs them—for up to 12 hours at a time. By taking Nutri-Vita just morning and night, you get round-the-clock nutrient protection that's substantially more available to your system than the same amount of vitamins in ordinary capsules and tablets.

POTENCY PROTECTED. Many products ignore the fact that certain vitamins and minerals are chemically incompatible and react very readily to neutralize each other. That is why all of the ingredients in a Nutri-Vita tablet are **isolated** from each other by a special patented process. This keeps them potent until the moment of absorption into the blood stream, where deactivation is no longer a problem. With Nutri-Vita, **your body gets what the label says.**

Nutri-Vita is many times more active because, we use a process known as chelation (from the Greek "kelos" for claw). In it, minerals are bonded to protein with a biochemical "claw." Masked by the protein, the minerals now seem organic to your body and are readily absorbed. This process is so effective that studies have shown chelated minerals to be more available to the body than ordinary minerals. All minerals in Nutri-Vita are chelated.

PLUS ALL THE ESSENTIAL AMINO ACIDS. Proteins are the building blocks of tissues. And amino acids are the building blocks of protein. Those amino acids which the body cannot manufacture for itself are called essential amino acids and must be furnished every day. Nutri-Vita releases the eight essential amino acids into your blood stream all day long—ready at meal times and snack times to help complete the proteins in the food you eat.

Famous National, Olympic and World Record Champions Compare Nutri-Vita to those complicated supplements:

"Strength has increased without a concurrent weight increase."
Richard E. Watson—Two-time U.S. Decathlon Champion

"Personally, my teammates . . . and I can feel the beneficial effects of Nutri-Vita hours after ingestion . . . the inclusion of protein (maintains) energy levels while dieting."
Richard E. Norris**—Greater Atlantic Coast Powerlift Champion, 1974**

"Our crew was introduced to Nutri-Vita . . . while we were preparing for . . . the Royal Henley Regatta in England. I was very impressed with how the oarsmen responded. They seemed to recuperate faster and their overall fatigue level was improved."
Gary Klipatrick**—Varsity Lightweight Crew Coach, Princeton University**

"Nutri-Vita (makes) hard work seem a lot easier. As I am not a chemist, I can not understand how it works, but as an athlete, I know it does work."
Carl Barisch, Cleveland Browns

"I have used Nutri-Vita for over two years now, and have felt quite a difference in my training and performance. Nutri-Vita helps recovery time, and increases endurance."
Fred [illegible]—[illegible] All American Champion

"We used Nutri-Vita with both university swimmers and age group swimmers. The most noticeable effect being increased capacity to handle heavy work loads in training . . . Excellent and a valuable asset to athletes."
William Farley—Varsity Swimming Coach, Princeton Univ. Coach, Eastern Collegiate Swimming Championship Team, 1972, 1974**

IMPORTANT NEWS IF YOU SMOKE. Tobacco and vitamins are antagonists. A cigarette destroys vitamin C in your system. Nutri-Vita helps protect you against such deficiencies by constantly releasing a fresh supply of vitamins after every cigarette. It's the round-the-clock source of all the nutrients your body is known to need, in the form it can use them best.

NUTRI-VITA WILL WORK FOR YOU OR YOUR MONEY BACK. Would you like to provide your family with "vitamin insurance"? Nutri-Vita can give you the help you need. Because Nutri-Vita provides large doses of nutrients in a concentrated form every hour of every day. That way your body selects exactly the nutrients it needs at exactly the moment it needs them. Doesn't this make much more sense than assaulting your system with a massive dosage of vitamins once a day, many of which will be simply excreted?

See for yourself whether Nutri-Vita helps make you and every member of your family feel the way famous athletes say it makes them feel . . . "Stronger and more energetic hours after they take it." Nutri-Vita makes sense to them. Try Nutri-Vita for 30 days and see if it doesn't make sense to you, too. Satisfaction guaranteed or your money back of course.

NUTRI-VITA Timed Release Nutritional Supplement
A specially balanced, factory fresh formula of 12 vitamins, 9 minerals, and 21 nutrients including all 8 essential amino acids. Contains no sugar, no starch, no binders, no artificial colors, no artificial flavors.

ADULTS: 2 tablets morning and evening.
CHILDREN 6 to 12: 1 tablet morning and evening.
